

Airless Hire Services

Airless & Pressure Cleaner Services offer a complete range of Airless Paint Sprayers and High Pressure Cleaners for hire. Perhaps you need to do some basic touch-ups on your property, or paint inside or outside your house? We have the perfect airless paint sprayer for your needs to save you hours and reduce your paint / coating costs!

So we can help match you up to the best hire unit for your needs, please answer these simple questions:

- 1 What job do you need to do?**
(eg. spray a fence, room, exterior wall, house, roof, etc)
- 2 What paint / coating are you going to use?**
(eg. normal or thick acrylic paint, oil based stain, etc)
- 3 Do you require additional accessories?**
(eg. longer hose, extension spray pole, etc)

So in summary, the job you need to do and the paint you are using determines the best hire unit for your needs.
