## Wagner Line Markers

Airless & Pressure Cleaner Services are proud distributors and authorised service agents of Wagner products. This is a perfectly equipped family of line marking machines for the greatest precision, optimal working speed and high operating convenience. Wagner's 3+2 Guarantee gives you additional peace of mind with a 3 year manufacturer's warranty and an additional 2 years via online registration!

### Easy to Use

Stepless engine control for convenient setting and regulation of the required working power. You can release the gun from its holder in a single operation, so it is always available for manual work (e.g. symbols) or other Airless applications.

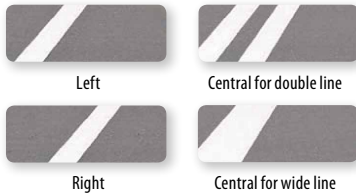

### Precise Curves and Circles

Precise curves, radii and circles, and a smooth transition to straight lines is made possible by the locking and unlocking of the running wheel. Simply pull the trigger on the left hand grip and start off in the desired direction.

### Selective Triggering

Selective triggering of one or two guns by moving the gun selection lever. Extra wide lines up to 60 cm are also possible.
