Airless Hire Services

Airless & Pressure Cleaner Services offer a complete range of High Pressure Cleaners and Airless Paint Sprayers for hire. Whether you need to clean a driveway or paved area, a shed or your entire house we have a pressure cleaner to best suit your needs. Cold and hot/cold water units available. Reduce your cleaning time and save on water usage also!

So we can help match you up to the best hire unit for your needs, please answer these simple questions:

- 1 **What job do you need to do?**
(eg. clean concrete, clean a house or business, roof clean, etc)
- 2 **What are your cleaning expectations?**
(eg. basic wash, remove mould, paint removal, etc)
- 3 **Do you require additional accessories?**
(eg. longer hose, turbo nozzle, giraffe extension, etc)

So in summary, the job you need to do and the material you need to remove determines the hire unit for your needs.
